## WHAT'S NEW

**Apply for hunts:** You can apply for Utah's 2022 big game hunts from Jan. 27 to March 3, 2022. The results of the big game drawing will be available on or before May 31, 2022. For additional details, see page 26.

**New hunts:** Starting in 2022, there will be a new pronghorn hunt, a new limited-entry muzzleloader deer hunt and a new extended archery area for deer. To see which hunts have been added, look for "new hunt" next to a hunt in the tables that start on page 40. For more information about extended archery hunting, see page 8.

**Permit sales dates in July:** Any permits remaining after the big game drawing will go on sale during different days in July. For all of the permit sales dates, see the table on page 10.

**Unlimited any-bull elk permits for youth:** In 2022, there will be an unlimited number of general-season any-bull elk permits (any legal weapon, muzzleloader and multi-season) available to youth hunters. Those permits will be available for purchase starting July 14, 2022. For more information, see page 33.

**New child support law now in effect:** As of July 1, 2021, there are restrictions on fishing and hunting license purchasers for nonpayment of child support. For details, see the box on page 8.

**Find updated maps and boundaries:** Use the Utah Hunt Planner to find unit maps, boundaries and information on the hunts you want to apply for. The information in the Hunt Planner will be updated in June for the 2022 big game season, but you can use its historical data to research hunting units before you apply. To learn more, see page 19.

## KNOW THE LAWS

This guidebook—along with the 2022 *Utah Big Game Field Regulations Guidebook* (available in June 2022)—summarizes the rules and laws that regulate big game hunting in Utah. Although these books are convenient quick-reference documents for Utah big game regulations, they are not all-encompassing resources.

For an in-depth look at the state's big game hunting laws and rules, visit [wildlife.utah.gov/rules](http://wildlife.utah.gov/rules).

You can use the references in this guidebook—such as *Utah Admin. Rule R657-5-24* and *Utah Code § 23-20-25*—to search the Division's website for the detailed statute or rule that underpins the guidebook summary.

If you have questions about a particular rule, call or visit the nearest Division office.

### Who makes the rules?

The Utah Wildlife Board passes the rules and laws summarized in this guidebook.

There are seven board members, and each serves a six-year term. Appointed by the governor, board members are not Division employees.

The Division's director serves as the board's executive secretary but does not have a vote on wildlife policies.

Before board members make changes to wildlife rules, they listen to recommendations from Division biologists. They also receive input from the public and various interest groups via the regional advisory council (RAC) process.

If you have feedback or suggestions for board members, you can find their contact information online at [wildlife.utah.gov](http://wildlife.utah.gov).

**Unit boundary and name changes:**

Some hunt unit boundaries and names have changed this year, including boundaries for bison units. To find maps and descriptions of the areas you want to hunt, visit [wildlife.utah.gov/huntplanner](http://wildlife.utah.gov/huntplanner).

**Season date changes:** Season dates change every year, so please check them carefully before applying for hunts. You can find season dates in the hunt tables that begin on page 40.

**Research antlerless hunts online:** In late May 2022, visit [wildlife.utah.gov/guidebooks](http://wildlife.utah.gov/guidebooks) to find all of the information you'll need to research Utah's antlerless hunts. This information includes application dates, rules, hunt tables, boundaries and maps. The antlerless application period runs from May 26–June 16, 2022.

**Keep your license on your phone or tablet**

We've made it easier for you to keep track of your hunting or combination license and know when it's about to expire. With our convenient mobile app, you can now download your license to a smartphone or tablet.

If a conservation officer asks to see your license, you can produce the digital copy, which is just as valid as a paper license.

If you use the app, you will be able to easily see when your license expires.

The app is available for both Apple and Android devices. You can download it at [wildlife.utah.gov/mobileapp](http://wildlife.utah.gov/mobileapp).

Please remember that licenses are different from permits. If your hunt requires a permit, you must carry it with you while hunting.

**Permits for lifetime license holders:** If you're a lifetime license holder, see the box on page 30 for more information about obtaining your general-season deer permit.

**Important reminders**

**Field regulations available in June:** The *2022 Utah Big Game Field Regulations Guidebook* will be available from license agents and Division offices in June 2022. It will include the rules for both big game and antlerless hunting.

**COVID-19 and the 2022 big game hunts:** We will communicate changes that may affect you and your hunt—including pandemic-related measures—via email and social media. See [wildlife.utah.gov/covid](http://wildlife.utah.gov/covid) for information specific to COVID-19, and visit [wildlife.utah.gov/stay-connected.html](http://wildlife.utah.gov/stay-connected.html) to sign up for email updates and follow us on Facebook, Twitter, Instagram and YouTube.

**Options for military members:** Active military personnel may be eligible to purchase a bonus or preference point if they are deployed during the big game application period. For details, see the information box on page 10 or visit [wildlife.utah.gov/military](http://wildlife.utah.gov/military).

**Multi-season deer hunting for youth:** In order to hunt all general deer seasons (archery, muzzleloader and any legal weapon), a youth must obtain a general-season any legal weapon permit. For details, see the article on page 32.

**Hunter Mentoring Program:** The Hunter Mentoring Program allows a young person to share a mentor's permit. To learn more, see the information box on page 25 or visit [wildlife.utah.gov/mentoring](http://wildlife.utah.gov/mentoring).

**Discounted licenses for disabled veterans:** The Division offers discounted hunting and combination licenses to Utah veterans who were disabled in the line of duty. For details, see page 13.

**Don't lose your hunting and fishing privileges**

If you commit a wildlife violation, you could lose the privilege of hunting and fishing in Utah. The Utah Division of Wildlife Resources can suspend the license of anyone who knowingly, intentionally or recklessly violates wildlife laws. Your license can be suspended for a wildlife violation if:

- You are convicted.
- You plead guilty or no contest.
- You enter a plea in abeyance or diversion agreement.

Suspension proceedings are separate and independent from criminal prosecution. The Utah Division of Wildlife Resources may suspend your license privileges whether or not the court considers suspension in your criminal case. You will be notified of any action against your privilege after criminal proceedings conclude. And remember, if your license is suspended in Utah, you may not be permitted to hunt or fish in most other states. (Visit [wildlife.utah.gov/know-the-consequences.html](http://wildlife.utah.gov/know-the-consequences.html) to see a map of participating states.)

**Hunting license required:** Before you can apply for a 2022 big game permit, bonus point or preference point, you must have a valid Utah hunting or combination license. Please see page 17 for more information. For the exceptions available to active, deployed military members, please see the information box on page 10.

**Mandatory reporting:** Many big game hunters must report hunt information within 30 calendar days after the end of the hunting season (even if they did not harvest an animal). To see if you are required to report—and to learn how to report—see page 23 or visit [wildlife.utah.gov/harvestreporting](http://wildlife.utah.gov/harvestreporting).

**Collecting shed antlers:** If you want to collect shed antlers and horns from Feb. 1 to April 15, you must complete an online course. You will receive a course-completion certificate that you must carry on your person while collecting the antlers and horns. For more information, see page 13.

**Guidebook correction:** If errors are found in this guidebook after it is printed, the Division will correct them in the online copy. Visit

[wildlife.utah.gov/guidebooks](http://wildlife.utah.gov/guidebooks) to view digital versions of all the Division's guidebooks.

**Protection from discrimination:** The Division receives federal financial assistance from the U.S. Fish and Wildlife Service. Under Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, the U.S. Department of the Interior and its bureaus prohibit discrimination on the basis of race, color, national origin, age, disability or sex. If you believe that you have been discriminated against in any program, activity or facility, or if you desire further information, please visit [www.doi.gov/pmb/eo/public-civil-rights](http://www.doi.gov/pmb/eo/public-civil-rights).

**Private lands:** The Division cannot guarantee access to any private land. Under certain circumstances, you must obtain written permission from the landowner or the landowner's authorized representative before hunting or trapping on private lands. For more information, please see *Utah Code* §§ 23-20-14 and 23-20-3.5.

**Division funding:** The Division is mostly funded by the sale of hunting and fishing licenses and through federal aid made possible by an excise tax on the sale of firearms and other hunting- and fishing-related equipment.

## Antlerless big game hunting

Antlerless hunting is the primary tool biologists use to control the size of big game herds.

This year, you can apply online for one or more antlerless big game permits from May 26–June 16, 2022. Plan on visiting [wildlife.utah.gov](http://wildlife.utah.gov) in late May 2022 to see which permits are available.

Antlerless drawing results will be available on or before July 7, 2022. If any antlerless permits remain available after the drawing, you can purchase them starting July 21.

**Reminder:** If you obtain an antlerless permit that remains available after the drawing, you will lose any preference points that you've accrued for that species.

The *2022 Utah Big Game Field Regulations Guidebook* will be available in June. That guidebook will contain information you can use in the field during your big game and antlerless hunts.

## Changes to the big game application timeline in 2023

In response to public feedback, the DWR is planning to change the big game application timeline for 2023.

The new timeline will address hunters' concerns about applying for hunts without knowing exact permit quotas, and hunters will be able to evaluate the proposed big game permit quotas before the application period closes.

### The timing and dates will look like this:

- The application period will open for hunts, bonus points or preference points March 23–April 27.
- Big game drawing results will be posted on May 31.
- Points-only applications for big game will open later (during the antlerless application period in June).

### Impacts of this change:

- This will allow four weeks from the time the application closes to the drawing post date.
- Hunters will have access to the proposed permit quota during the application period.
- Hunters will be able to edit their applications during the entire application period.

These changes will apply to the **2023 application period** and will be fully outlined in the *2023 Utah Big Game Application Guidebook*.

### Possible habitat work in your hunt area

Throughout the year, the Division works with other government agencies—including the U.S. Forest Service and the Bureau of Land Management—to complete thousands of acres of habitat-improvement work on Utah's public lands.

Those projects range from plant removal to prescribed burns and from helicopter reseeding to large-scale planting projects. They help restore habitat for mule deer, elk, sage-grouse and other species, giving them the food and cover they need to thrive on the landscape.

Please be aware that projects occur across the state, year round. This means that sometimes a project may occur in a portion of your hunt area, during the hunt.

If this is something you're concerned about, you may want to contact the appropriate land-management agency before you apply for a particular hunt area. They may be able to give you a tentative list of projects for the coming year.

You can also see a list of past, current and proposed restoration projects at [watershed.utah.gov](http://watershed.utah.gov).

## 2022 SEASON DATES

### Extended archery season dates

Utah Admin. Rule R657-5-23

You do not need to apply for an additional permit to hunt during the extended archery seasons. As long as you obtain an archery deer or elk permit in 2022—and you complete the required extended archery ethics course—you may also hunt any of Utah's extended archery areas during the seasons listed to the right.

Limited-entry deer and elk archery hunters who don't harvest during the limited-entry season will also be allowed to hunt extended archery areas.

The online archery ethics course is an annual requirement for all archers who want to hunt the extended areas and seasons. To take the course, visit [wildlife.utah.gov/extendedarchery](http://wildlife.utah.gov/extendedarchery) before the extended seasons begin. After you successfully complete the course, print your completion certificate and keep it with you while hunting.

To see maps and boundaries for all of the extended archery areas, visit [wildlife.utah.gov/huntplanner](http://wildlife.utah.gov/huntplanner).

### New child support law now in effect

In 2020, the Utah Legislature passed H.B. 197, which places restrictions for nonpayment of child support on those who purchase fishing and hunting licenses and permits. The law went into effect on July 1, 2021.

For additional information about what you owe—or to arrange a payment schedule—you **must** contact the Office of Recovery Services at 801-536-8500. DWR employees **cannot** access any details about child support obligations or accept related payments.

## 2022 SEASON DATES

### 2023 sportsman permits

Utah Admin. Rules R657-41 and R657-62-24

Next year, you could be the envy of every hunter you know. If you draw a 2023 Utah sportsman permit, you'll have one of the most exciting hunting permits the state offers. Hunters want these permits because:

- They typically have an extended hunting season.
- They allow you to hunt in nearly any unit across the state. (See the footnotes on the left side of this page for additional information.)
- Only Utah residents can apply for them.

One sportsman permit is usually offered each year for each of the following species: buck deer, buck pronghorn, bull elk, bull moose, desert bighorn ram, Rocky Mountain bighorn ram, hunter's choice bison and hunter's choice mountain goat. Sportsman permits are also offered for black bear, cougar and wild turkey.

You can apply for a sportsman permit from Oct. 19 to Nov. 9, 2022. For more information about these permits, and the few restrictions that apply, please visit [wildlife.utah.gov](http://wildlife.utah.gov) in mid-October 2022.

## 2022 SEASON DATES

### Permit sales dates

In July, various types of big game permits will be available for purchase at all DWR offices, license agent locations ([wildlife.utah.gov/licenses/locator](http://wildlife.utah.gov/licenses/locator)) or online at [wildlife.utah.gov](http://wildlife.utah.gov). See the following table for sales dates.

Remaining limited-entry big game permits, if available	July 12, 2022
Bison permits for the Nine Mile unit*	July 12, 2022
General-season any bull elk permits (adults and youth)	July 14, 2022
Remaining general-season deer permits, if available (also youth archery deer permits)	July 19, 2022
All antlerless permits, if available	July 21, 2022

\* The availability of this permit varies each season. See the 2022 Utah Big Game Field Regulations Guidebook (available in June 2022) for more details or visit [wildlife.utah.gov/huntplanner](http://wildlife.utah.gov/huntplanner).

### Points options for active, deployed military personnel

If you are an active, deployed member of the military, you can now purchase a bonus or preference point, even if you missed an application period while deployed. The Division will also waive the required combination or hunting license fee when you make that point purchase. To qualify for these exemptions, a military member must:

- Be a resident of Utah.
- Be deployed for 90 days or longer outside of Utah on federal orders from military command.
- Not have previously received a bonus or preference point for the species and hunt type in the same year.
- Otherwise be eligible to receive a bonus or preference point.
- Pay a \$10 application fee per point received.
- Submit an application for the exemption to DWR no later than Dec. 31 of the qualifying year of being deployed.

For additional information and the application form, visit [wildlife.utah.gov/military](http://wildlife.utah.gov/military).

## CHANGES TO TRAIL CAMERA REGULATIONS

Several changes pending approval by the Utah Wildlife Board may affect your 2022 big game hunt.

At the direction of the Utah Legislature, the Utah Wildlife Board is considering changes to the state's trail camera regulations.

During 2021, the DWR conducted public surveys regarding trail camera use to gather information about when, where and how trail cameras and other hunting-related technologies should be used for scouting and hunting game animals.

Additionally, this proposal went through the Regional Advisory Council process for public feedback.

Any changes to trail camera regulations may go into effect before the 2022 big game hunting season and will be reflected in the *2022 Big Game Field Regulations Guidebook* (available in June 2022).

### Interact with our maps using the Avenza Maps™ app

You can now interact with DWR maps on your mobile device using the Avenza Maps™ app.

Avenza Maps gives you the ability to download and use DWR maps on your mobile devices, even without the internet or a network connection. Know where you are hunting, even in the most remote areas of Utah.

To access these maps on your mobile devices:

- Turn to the maps on pages 34-39 and use your smartphone to scan the QR code on the map you want to view.
- If you do not have Avenza Maps installed on your device, you will be directed to the App Store or Google Play to download and install the app on your device.
- If you already have Avenza Maps on your device, you can scan the map QR code using the reader in Avenza Maps (or your device's QR reader) and the map will load.
- Find additional DWR maps by searching "UDWR" in the Avenza Map Store.

## 2022 SEASON DATES

### CWMU season dates

The Wildlife Board has established the following timeframes for hunting bucks and bulls on Cooperative Wildlife Management Units (CWMUs). Hunters should expect to hunt at least five days within these timeframes, although the CWMU operator may allow you to hunt additional days.

Before you apply for a CWMU permit, please visit [wildlife.utah.gov/cwmu](http://wildlife.utah.gov/cwmu). You'll find detailed information about season dates, CWMU rules, hunt success and how to contact the operator. If you draw a permit, you **must** contact the CWMU operator to confirm your season dates.

Keep in mind that whether you draw or purchase a permit, you may not obtain more than one of each of the following permits during the 2022 big game season:

- Buck deer permit
- Bull elk permit
- Buck pronghorn permit

For example, if you draw a general-season buck deer permit—and then decide you want to hunt on a CWMU instead—you must surrender your general-season permit before

### How many permits will be available in 2022?

The Utah Wildlife Board will set permit numbers for both the big game and antlerless hunts when it meets in the spring of 2022.

This meeting occurs after the big game application period and before the antlerless application period.

Division biologists will collect and analyze the most recent harvest and population data before making their recommendations to the Wildlife Board.

the opening day of the season listed on your permit and before redeeming the private CWMU voucher for a permit.

**Reminder:** If you choose to surrender any big game permit you've drawn (to purchase/obtain a private CWMU voucher, for example), be sure to do so at least 30 days before your hunt begins in order to keep the preference or bonus points that helped you draw the original permit. You will not earn a point for the current year. **If you surrender a big game permit less than 30 days before the season opens, you will lose all of your previously accrued bonus or preference points for that species and you will not earn a point for the current year.**

As long as you surrender a big game permit before the season opens, any applicable waiting period(s) will be waived.

**Important:** Nonresidents may not apply for CWMU permits in the drawing. They can, however, obtain a permit voucher directly from the CWMU landowner or operator.

For more information on the CWMU program, see [wildlife.utah.gov/cwmu](http://wildlife.utah.gov/cwmu).

Hunt	Dates
Archery hunts for buck deer, buck pronghorn and bull elk	Aug. 20–Oct. 31, 2022
Any legal weapon (rifle) hunts for buck deer, buck pronghorn, bull elk and bull moose	Sept. 1–Oct. 31, 2022
Muzzleloader hunts for buck deer	Sept. 1–Oct. 31, 2022
Muzzleloader hunts for bull elk	Sept. 1–Oct. 31, 2022

Some deer and elk CWMUs have hunting seasons outside of these timeframes. For all CWMU hunt season dates, operator names and contact numbers, visit [wildlife.utah.gov/cwmu](http://wildlife.utah.gov/cwmu).

## 2022 SEASON DATES

### Gathering shed antlers or horns

*Utah Admin. Rule R657-5-21*

You may gather shed antlers or horns—or parts of shed antlers or horns—statewide, but there is one seasonal requirement.

From Feb. 1 to April 15, 2022, you must have an antler-gathering certificate on your person while collecting shed antlers or horns. You can obtain this free certificate by visiting [wildlife.utah.gov/antler-gathering.html](http://wildlife.utah.gov/antler-gathering.html) and completing an online course. You do not need an antler-gathering certificate at any other time of the year.

Please remember that if the winter weather becomes severe, the Division may choose to close antler gathering in hard-hit areas.

**Important:** The antler-gathering certificate does not authorize you to trespass on closed areas or private lands to collect shed antlers or horns.

### Season dates

Online course completion certificate required\* Feb. 1–April 15

*\*You must complete this course every year.*

### What if I find antlers or horns attached to a skull?

If you find a skull with the antlers or horns still attached, it's possible the animal was poached.

**Do NOT pick up or move the skull, or disturb footprints or other evidence.**

Instead, please take the following steps:

- Take photos from a couple of angles
- Pinpoint the location of the skull (preferably its GPS coordinates)
- Report your find to a Division office
- Provide key details in your report

The Division will send a conservation officer to investigate if the animal was poached. If it's clear that the animal died of natural causes, we may allow you to keep your find.

### Discounted licenses for disabled veterans

The Division offers discounted hunting and combination licenses to Utah servicemembers who were disabled in the line of duty.

The discounted hunting license is \$25.50, instead of the \$34 full price. Likewise, the discounted combination license is \$28.50, instead of the \$38 full price. Either license is good for 365 days from the day you buy it. Discounted licenses are available online or from all Division offices listed on page 2.

To purchase a discounted hunting or combination license, you must be a Utah resident and have a qualifying service-connected disability of at least 20 percent.

To apply for a license online, please visit [wildlife.utah.gov/disabledvet](http://wildlife.utah.gov/disabledvet) and complete the online form. If you need assistance, please call the nearest Division office.

If you choose to visit a Division office to purchase your license, simply bring the verification of service-connected disability documentation that the Department of Veterans Affairs issued to you.

You can find additional resources for hunters and anglers with disabilities at [wildlife.utah.gov/disabled-access](http://wildlife.utah.gov/disabled-access).

## BASIC REQUIREMENTS

Are you planning to hunt big game in Utah this year? Before you apply for a permit, make sure you meet Utah's age, hunter education, license and permit requirements.

### Are you old enough?

*Utah Code § 23-19-22*

To hunt big game in Utah, you must be at least 12 years old.

If you are least 11 years old, you can apply for or obtain any big game permits for which you are eligible, including limited-entry and once-in-a-lifetime permits. Any 11-year-olds who apply must be 12 by Dec. 31, 2022.

**Remember, you cannot hunt until you are 12 years old.**

If you're younger than 18, you can apply to participate in the Utah Hunter Mentoring Program. For details on the program, see the information box on page 25 or visit [wildlife.utah.gov/mentoring](http://wildlife.utah.gov/mentoring).

If you're 12 years old or older, you can also participate in the Trial Hunting Program. For details, see the box below.

### Utah's Trial Hunting Program

*Utah Admin. Rule R657-68*

Have you ever wanted to bring your spouse, child or friend along on a hunt and give them a chance to try hunting? Now, they can join you on your next big game hunt.

Utah's Trial Hunting Program allows anyone over the age of 12 to try hunting for a few years—while accompanied by a licensed hunter over the age of 21—before taking a Hunter Education course.

The program applies to hunts for many different species, including all general-season big game hunts. To sign up for the program or to learn more about it, visit [wildlife.utah.gov/trial](http://wildlife.utah.gov/trial).

### Adults must accompany young hunters

*Utah Code § 23-20-20*

While hunting big game, a person under 16 years old must be accompanied by his or her parent, legal guardian or other responsible person who is 21 years of age or older and who has been approved by the parent or guardian.

The Division encourages adults to be familiar with hunter education guidelines or to complete the hunter education course before accompanying youth into the field.

While in the field, the youth and the adult must remain close enough for the adult to see and provide verbal assistance to the young hunter. Using electronic devices, such as walkie-talkies or cell phones, does not meet this requirement.

### Have you passed hunter education?

*Utah Code § 23-19-11 & Utah Admin. Rule R657-23*

If you were born after Dec. 31, 1965, you must provide proof that you've passed a hunter education course approved by the Division before you can apply for or obtain a hunting license or a big game permit.

The only exception to this law is for individuals who are participating in the Division's Trial Hunting Program. You can find details about the program in the box to the left or by visiting [wildlife.utah.gov/trial](http://wildlife.utah.gov/trial).

### Proof of hunter education

You can prove that you've completed hunter education by obtaining a hunter education card (called a "blue card" in Utah) or if you have a verified hunter education number on file with the Division. The number is assigned when you complete hunter education and your blue card is issued.

## How to take hunter education

To get started, you should visit [wildlife.utah.gov/huntereducation](http://wildlife.utah.gov/huntereducation). You'll see links to various traditional and online hunter education courses. Follow the instructions on the website to obtain a hunter education registration certificate (required) and to register for a course online.

If you need assistance, please contact your local Division office or call 801-538-4727.

When you finish the course, your instructor will verify your course completion in the online hunter education system. At that point, you will be able to apply for or obtain permits in the Division's hunt drawing, and your hunter education registration certificate will become your hunting license.

Approximately four to six weeks after you complete the course, you will receive your blue card by mail.

You should also keep the following in mind:

- Hunters under the age of 16 must be accompanied by an adult while hunting.
- Regardless of when a student graduates, all hunting regulations (such as season dates and bag limits) will apply.
- Hunters who are planning to hunt out of state should allow enough time for their hunter education card to arrive in the mail.

### New to Utah?

If you become a Utah resident, and you've completed a hunter education course in another state, province or country, you must obtain a Utah blue card before you can buy a resident hunting license. You can obtain a Utah blue card at any Division office by providing proof that you've completed a hunter education course approved by the Division.

## Do you have a license?

*Utah Code §§ 23-19-1, 23-19-22 and 23-20-3*

You must have a current Utah hunting or combination (hunting and fishing) license before you can apply for any big game permits, bonus points or preference points. Licenses are available at [wildlife.utah.gov](http://wildlife.utah.gov) and from license agents and Division offices.

Be sure to take a look at the date on your license before you apply for any permits or points. As long as your license is valid on the date you submit your application, you don't have to purchase a new license for the actual hunt.

For example, assume that your license expires on June 21, 2022. If you apply before that date, you do not have to purchase a new license for your hunt in the fall. All hunting and combination licenses are valid for 365 days from the date of purchase.

## Do you have a permit?

*Utah Admin. Rule R657-62-18*

To participate in any of Utah's big game hunts, you need to obtain a hunting permit. See page 18 to learn about the types of permits available in 2022.

Utah issues most of its big game permits through the big game hunt drawing. To apply for this drawing, visit [wildlife.utah.gov](http://wildlife.utah.gov) between Jan. 27 and March 3, 2022. For additional details and important dates, see *Apply for big game permits* on page 26.

## Carry your permit

If you are successful in obtaining a big game permit, you must have it on your person while hunting. You cannot alter your license or permit, nor can you sell, transfer or loan either of them to another person.

## PREPARE TO APPLY

*Utah Admin. Rule R657-62-18*

To participate in Utah's big game hunts, you need to obtain hunting permits. The Division distributes most of those permits through the big game hunt drawing. You can apply for the drawing from Jan. 27–March 3, 2022. It will be easier to apply if you are thoroughly prepared before you begin the application process.

### Residency and hunt options

*Utah Code 23-13-2(37) and 23-13-2(13)*

Before you apply for any big game hunts, it's important to know whether you are a legal resident of the state of Utah. Although residents and nonresidents can apply for many of the same types of permits, there are some differences. See the definition of residency on page 75 to determine whether you are a resident or a nonresident.

#### Residents

If you're a Utah resident, you can apply for one limited-entry permit for only **one** of the species listed below:

- Buck deer—Any one of the limited-entry buck deer hunts (see the hunt tables that start on page 46)
- Bull elk—Any one of the limited-entry bull elk hunts (see the hunt tables that start on page 51)
- Buck pronghorn—Any one of the limited-entry buck pronghorn hunts (see the hunt tables that start on page 57)

In addition to applying for a limited-entry permit for one of those three species, you can also apply for one once-in-a-lifetime permit. (See the definitions of limited-entry hunt and limited-entry permit on page 75.)

You may draw only one of the above permits each year.

#### Nonresidents

If you're a nonresident, you can apply to hunt all of the following:

- Buck deer—All of the limited-entry buck deer hunts open to nonresidents

(see the hunt tables that start on page 46)

- Bull elk—All of the limited-entry bull elk hunts open to nonresidents (see the hunt tables that start on page 51)
- Buck pronghorn—All of the limited-entry buck pronghorn hunts open to nonresidents (see the hunt tables that start on page 57)
- All once-in-a-lifetime species for which you are eligible (see the hunt tables that start on page 60)

You may draw only one of the above permits each year. (See the definitions of limited-entry hunt and limited-entry permit on page 75.)

**Note:** If you obtain a nonresident big game permit (not an antlerless permit), it also serves as a nonresident fishing license.

#### Both residents and nonresidents

There are additional hunting opportunities available to both residents and nonresidents. Even if you apply for one or more of the hunts listed above, you can also apply for one of the following general-season deer permits:

- An archery buck deer permit
- An any legal weapon (rifle) buck deer permit
- A muzzleloader buck deer permit

As you apply for various permits, please remember that you may not obtain more than one buck deer or one bull elk permit each year. For example, if you obtain a limited-entry deer permit, you may not buy a general-season deer permit.

## Do your research

It's important to nail down the details before applying for a hunt. You don't want to accidentally apply for the wrong hunting unit or season. We've provided information in this guidebook and links to online tools that can help you research your options.

### Review the hunt tables

All of the big game hunts you can apply for are listed in the tables that begin on page 40. You will need to use the hunt numbers associated with the hunts in order to apply for permits. Please keep in mind that hunt names and boundaries may change from year to year.

### See maps and boundaries online

You'll find detailed maps and boundary descriptions for all big game hunts at [wildlife.utah.gov/huntplanner](http://wildlife.utah.gov/huntplanner).

### Research hunts on the Utah Hunt Planner

There's a useful online tool that can help you plan a successful, enjoyable hunt. The Utah Hunt Planner is located at [wildlife.utah.gov/huntplanner](http://wildlife.utah.gov/huntplanner).

During the application period (Jan. 27–March 3, 2022), you can research past hunts on the Utah Hunt Planner. Then, starting in June 2022, you can visit the Hunt Planner to see updated information for the 2022 season. If you obtain a big game permit in 2022, this is a tool that can help you have a great experience during your hunt.

### Obtain permission to hunt private property

The Division cannot guarantee access to private land, and the agency does not have the names of landowners who own property where hunts occur.

Under certain circumstances, you must obtain written permission from the landowner

or the landowner's authorized representative before hunting or trapping on private lands. Ideally, you should have permission **before** you apply for a permit.

You can download a landowner permission card at [wildlife.utah.gov/miscellaneous/permissioncard.html](http://wildlife.utah.gov/miscellaneous/permissioncard.html).

### Understand the drawing order

*Utah Admin. Rule R657-62-18*

A better understanding of the drawing order may affect which permits you decide to apply for. Big game permits are drawn in the following order:

- First—Buck deer (all limited-entry permits)
- Second—Bull elk (all limited-entry permits)
- Third—Buck pronghorn (all limited-entry permits)
- Fourth—Once-in-a-lifetime permits
- Fifth—General buck deer (Lifetime License holders)
- Sixth—General buck deer (Dedicated Hunters)
- Seventh—General buck deer (youth)
- Eighth—General buck deer
- Last—Youth any bull elk

Because of the order in which permits are drawn, you will **not** be included in the drawing for a once-in-a-lifetime permit if you draw any of the following permits:

- Buck deer (any limited-entry permit)
- Bull elk (any limited-entry permit)
- Buck pronghorn (any limited-entry permit)

The definition of a limited-entry permit is listed on page 75. For more information about the permit drawing order, please visit [wildlife.utah.gov/drawings](http://wildlife.utah.gov/drawings).

## Know how to apply as a group

*Utah Admin. Rule R657-62-7 and R657-62-18*

If you want to apply with your friends and family as a group, there are some important things to consider before selecting your hunt choices.

Both residents and nonresidents can apply together. However, if you're a Utah resident and you decide to apply with a nonresident, make sure nonresident permits are available for each hunt your group is applying for. If nonresident permits are not available for a hunt your group is applying for, the nonresident and everyone else in the group—including the Utah residents—will not be allowed to draw for that hunt unit.

Up to **four hunters** can apply together for available limited-entry deer, elk or pronghorn permits. Group applications are not accepted for management buck deer hunts or once-in-a-lifetime hunts.

If your group is successful in the drawing, all of the applicants in your group who have valid applications will receive a permit.

**Important:** If you're a youth and you want an opportunity to draw one of the permits reserved for youth, do **not** apply in a group with an adult. Young hunters can apply as part of a youth-only group.

**Reminder:** Up to **four youth hunters** can apply together for general-season deer hunts and youth any bull elk hunts. Please see page 32 for more information about Utah's youth hunting opportunities.

## Why bonus points matter

*Utah Admin. Rule R657-62-8*

Utah's bonus point system has been put in place to increase your chance of drawing a big game permit. Knowing more about the points system may be helpful during the application process.

Every time you apply for a limited-entry permit, but you don't draw one, you receive a bonus point for that species.

Applying for a general-season buck deer permit will not affect your ability to obtain a bonus point for limited-entry deer. If you draw a general-season buck deer permit, you'll still receive a bonus point if you are unsuccessful in drawing a limited-entry buck deer permit.

## Applying for a bonus point

Even if you're not going to hunt in 2022, you can still receive a bonus point by applying for one. To apply for a bonus point, select the appropriate bonus point code on your application and pay the application fee, which is \$10 for residents and \$15 for nonresidents. The 2022 bonus point application period is Jan. 27–March 17, 2022.

Because you apply for bonus points by species, instead of by hunt, you may apply for a bonus point even if a particular hunt isn't being offered in 2022.

To apply for a bonus point, you must be eligible for the hunt the bonus point will be awarded for. For example, if you're eligible for a limited-entry buck deer permit, you're eligible to apply for a limited-entry buck deer bonus point.

### Residents

If you're a resident, you may apply for one of the following:

- One limited-entry permit and one once-in-a-lifetime permit
- One limited-entry permit and one once-in-a-lifetime bonus point
- One limited-entry bonus point and one once-in-a-lifetime permit
- One limited-entry bonus point and one once-in-a-lifetime bonus point

You may **not** apply for the following:

- A permit and a bonus point for the same species

- More than one limited-entry bonus point
- More than one once-in-a-lifetime bonus point

### Nonresidents

If you're a nonresident, you may apply for permits or bonus points for all limited-entry and once-in-a-lifetime species. However, you may not apply for a permit and a bonus point for the same species.

Please remember that you may draw only one limited-entry or once-in-a-lifetime permit each year.

### Groups

You can choose to submit a group application for bonus points. There can be a maximum of four people in the group.

The rules that apply to resident and nonresident bonus point applications also apply to groups. If your group contains a mix of residents and nonresidents, your residency may affect what you can apply for.

## How your bonus points work

For detailed information on how your bonus points work in the drawing, visit [wildlife.utah.gov/huntingpermits](http://wildlife.utah.gov/huntingpermits).

## Why preference points matter

*Utah Admin. Rule R657-62-9*

Utah's preference point system gives hunters who don't draw a general-season buck deer permit a better chance at drawing one the following year.

Each time you apply for a general-season buck deer permit and don't draw one, you'll receive a preference point. Please keep in mind that preference points are given for a species—deer, in this case—and not for a particular hunting unit.

## Applying for a preference point

Even if you won't be hunting general-season buck deer in 2022, you can still apply for a preference point by selecting code GDR on your application and paying the application fee. The application fee is \$10 for residents and \$15 for nonresidents. The application period is Jan. 27–March 17, 2022.

If you draw a general-season deer permit, you will lose your preference points and not receive an additional preference point.

**Reminder:** If you purchase a general-season buck deer permit that remains available after the drawing, you will lose any preference points you have for general-season buck deer.

## How your preference points work in the drawing

For detailed information on how your preference points work in the drawing, visit [wildlife.utah.gov/huntingpermits](http://wildlife.utah.gov/huntingpermits).

## Are you eligible to apply?

Before you submit your application, make sure that you are eligible to participate in the big game drawing.

## You may not apply if...

You may not apply for a hunting permit, a bonus point or a preference point if any of the following conditions apply:

- Your big game hunting privilege has been suspended.
- You're under a waiting period for the species you want to apply for.
- You've already obtained a permit for the once-in-a-lifetime species you want to apply for.
- You drew any type of limited-entry or once-in-a-lifetime permit in 2021, but you didn't submit a harvest report.

- You don't have a hunting or combination license.

Additionally, if you are a CWMU landowner association member or a spouse or dependent child, you cannot apply for your own CWMU permits in the big game drawing.

## Waiting periods

Waiting periods keep successful applicants out of the drawing for a few years and give other hunters a better chance at drawing a permit.

## Limited-entry buck deer, buck pronghorn and bull elk permits

*Utah Admin. Rule R657-62-18*

The waiting period for limited-entry buck deer is five years.

The bull elk waiting period is five years.

The waiting period for buck pronghorn is two years.

Waiting periods do not apply to general-season permits.

**Note:** A youth may draw only one youth any bull elk permit during his or her years as a youth.

## Once-in-a-lifetime permits

*Utah Admin. Rule R657-62-18*

Bull moose, bison, Rocky Mountain bighorn sheep, desert bighorn sheep and

mountain goat permits are once-in-a-lifetime permits. If you obtain a once-in-a-lifetime permit for a particular species, such as a bull moose, you may not apply for that permit again in the drawing.

You can still apply for other once-in-a-lifetime species that you haven't drawn a permit for.

Also, if you've been convicted of unlawfully taking a once-in-a-lifetime species, you may never apply for or obtain a permit for that species again.

## Permits obtained after the drawing

*Utah Admin. Rule R657-62-15*

If you're under a waiting period for a certain species, you can still obtain any permit that remains for that species after the drawing, but your waiting period will start all over again.

For example, if you have two years left on your bull elk waiting period, and you buy a limited-entry bull elk permit that remains available after the drawing, you'll begin a new five-year waiting period that will prevent you from applying for a limited-entry bull elk permit for the next five years.

If you're not already under a waiting period—and you obtain a limited-entry or once-in-a-lifetime permit that remains

general elk seasons. Those permits will be available in July, on the respective any bull and spike bull permit sales dates. See page 27 for more information about all elk permit sales dates. Visit [wildlife.utah.gov](http://wildlife.utah.gov) in early June to see purchase times and locations.

For detailed information about the multi-season general elk hunts, see the *2022 Utah Big Game Field Regulations Guidebook* in June 2022.

Please keep in mind that when you hunt multiple seasons, you must use the appropriate weapon type for the season.

available after the drawing—you will lose your bonus points for that species and incur a waiting period.

## Private CWMU, conservation, expo and landowner permits

*Utah Admin. Rule R657-62-18*

If you obtain a CWMU, conservation, expo or landowner permit from a private individual or organization—for deer, elk or pronghorn—you won't be subject to a waiting period.

If you obtain a once-in-a-lifetime permit in the expo drawing or from a conservation organization, you may not apply for that species in any other public drawing.

The rules regarding CWMU and once-in-a-lifetime permits are as follows:

- If you have obtained a once-in-a-lifetime permit in the public drawing in the past, you may buy a once-in-a-lifetime permit from a landowner or a CWMU operator.
- If you have not obtained a once-in-a-lifetime permit in the public drawing—and you buy a once-in-a-lifetime permit from a landowner or a CWMU operator—you may not obtain a permit in the public drawing for that species in the future.

Keep in mind that whether you draw or purchase a permit, you may not obtain more than one of each of the following permits during the 2022 big game season:

- Buck deer permit
- Bull elk permit
- Buck pronghorn permit

For example, if you draw a general-season buck deer permit—and then decide you want to hunt on a CWMU instead—you must surrender your general-season permit before the opening day of the season listed on your permit and before redeeming the private CWMU voucher for a permit.

**Reminder:** If you choose to surrender any big game permit (in order to purchase/obtain a private permit not offered through

the drawing), be sure to do so at least 30 days before your hunt begins in order to keep the preference or bonus points that helped you draw the original permit. You will not earn a point for the current year. **If you surrender a big game permit less than 30 days before the season opens, you will lose all of your previously accrued bonus or preference points for that species, and you will not earn a point for the current year.**

As long as you surrender a big game permit before the season opens, any applicable waiting period(s) will be waived.

## Mandatory reporting

Reporting your hunt information is important—and required—even if you didn't harvest an animal. You must report your hunt information for any type of limited-entry or once-in-a-lifetime hunt within 30 days of the end of the hunt.

If you don't meet this requirement, you won't be allowed to apply the following year for once-in-a-lifetime, multi-season pre-

## Obtain up to three elk permits

*Utah Admin. Rule R657-5-33*

In Utah, a hunter can obtain up to three elk permits each year:

- A maximum of one permit can be for a bull elk.
- A maximum of one antlerless elk permit can be obtained through the antlerless hunt drawing.
- A maximum of two antlerless elk permits can be obtained over the counter.

Even though you cannot obtain antlerless elk permits until the summer of 2022, knowing about this opportunity may affect which permits you apply for in the big game drawing.

mium limited-entry, premium limited-entry, multi-season limited-entry, limited-entry, management, cactus, CWMU or handgun-archery-muzzleloader-shotgun-only permits, or for bonus points.

If you didn't submit your 2021 harvest survey questionnaire by the deadline, you can restore your eligibility to apply for a 2022 permit by paying a \$50 late fee. For more information, call 1-800-221-0659.

## Hunts with special circumstances

Most of the permits you can draw through the big game hunt drawing are pretty self-explanatory. There are a couple of hunts, however, that require additional explanation.

### Management buck deer hunt

*Utah Admin. Rule R657-5-46*

A "management buck" is a buck deer with three points or less on at least one antler, above and including the first fork, but not including the eye guard. The eye guard does not count as a point. A point is a projection that's longer than one inch, measured from its base to its tip, including damaged or broken antlers.

Management buck deer permits are available through the Utah big game drawing. If you are successful in the drawing, you must complete an online orientation course before you will receive your permit.

**Important:** If you obtain a management buck deer permit, that is the **only** buck deer permit you may obtain for the 2022 season. You will lose your bonus points and incur a waiting period of **five** years.

### Why a management buck deer hunt?

Removing excess bucks—while protecting the larger bucks in the herds—is the goal of the management buck deer hunt.

The Paunsaugunt unit has high buck-to-doe ratios. Harvesting smaller-antlered bucks

will preserve trophy-class bucks and provide more room for does. Having more does in the herds will result in more fawns being born. Having more fawns will help ensure that these herds remain strong and healthy into the future.

### Cactus buck hunts

*Utah Admin. Rule R657-5-47*

You can also apply for a permit to hunt a cactus buck on the Paunsaugunt unit or on the Alton CWMU. These bucks often have unique antler growth that many hunters find fascinating.

A cactus buck is one that still has velvet covering at least 50 percent of its antlers during the season dates set by the Wildlife Board. For season dates, see the hunt table on page 47.

**Important:** If you obtain a cactus buck deer permit, that is the **only** buck deer permit you may obtain for the 2022 season. You will lose your bonus points and incur a waiting period of **five** years.

### Early general-season buck deer hunts

For 2022, the Utah Wildlife Board approved early general-season any weapon buck deer hunts on the following general-season buck deer units:

- Chalk Creek/East Canyon/Morgan-South Rich
- Fillmore
- Kamas
- Nine Mile
- North Slope
- Panguitch Lake
- Pine Valley
- Plateau, Fishlake
- Zion

These hunts will run from Oct. 12–16, 2022. The goal of these hunts is to reduce crowding and give hunters the opportunity to hunt deer and general-season elk at the same time.

### Late-season, limited-entry muzzleloader deer hunts

For 2022, the Utah Wildlife Board approved late-season, limited-entry muzzleloader deer hunts on **all** general-season buck deer units. For details, see the hunt tables that begin on page 47.

These hunts will occur at the same time as the general muzzleloader elk hunt, running from Nov. 2–10, 2022.

**Important:** If you are successful in obtaining a permit for one of these hunts, you will lose your bonus points and incur a waiting period of **five** years.

### Handgun-archery-muzzleloader-shotgun-only buck deer hunts

For 2022, the Utah Wildlife Board approved three handgun-archery-muzzleloader-shotgun-only (HAMS) hunts for buck deer. These hunts will occur from Nov. 12–27, 2022 and are considered limited-entry hunts. The hunts will take place in the following units:

- Book Cliffs, Floy Canyon
- Kaiparowits HAMS
- Morgan-South Rich

**Note:** These are primitive-weapon hunts—no optics allowed. The complete weapon specifications for these hunts are currently listed online in *Utah Admin. Rule R657-5-48* and will also be included in the *2022 Big Game Field Regulations Guidebook*, available in June 2022.

For more information, see the hunt tables on page 50.

**Important:** If you are successful in obtaining a permit for one of these hunts, you will lose your bonus points and incur a waiting period of **five** years.

### HAMS limited-entry elk hunts

For 2022, the Utah Wildlife Board approved handgun-archery-muzzleloader-shotgun-only (HAMS) hunts (Oct. 1–Nov. 15, 2022) on these seven limited-entry elk units:

- Box Elder, Sawtooth
- Cache, North
- Nine Mile, Anthro
- Oquirrh-Stansbury
- Plateau, Barney Top/Kaiparowits
- Southwest Desert, North
- West Desert, Deep Creek

**Note:** These are primitive-weapon hunts—no optics allowed. The complete weapon specifications for these hunts are currently listed online in *Utah Admin. Rule R657-5-48* and will also be included in the *2022 Big Game Field Regulations Guidebook*, available in June 2022.

For more information, see page 56.

**Important:** If you are successful in obtaining a permit for one of these hunts, you will lose your bonus points and incur a waiting period of **five** years.

### Hunter Mentoring program

The Utah Hunter Mentoring program allows any qualifying adult to share their hunting permits with resident youth.

Permits that are eligible for sharing under the Hunter Mentoring program include all big game permits as well as black bear, cougar, turkey, greater sage-grouse and sharp-tailed grouse permits. Only swan and sandhill crane permits may not be shared because they are subject to conflicting federal regulations.

To learn more about program eligibility and requirements and to download the application form, visit [wildlife.utah.gov/mentoring](http://wildlife.utah.gov/mentoring).

## APPLY FOR BIG GAME PERMITS

Utah Admin. Rule R657-62-18

To participate in any of Utah's big game hunts, you need a hunting permit. Your first, and possibly only, chance to obtain one of these permits is through the state's big game drawing. You will avoid unnecessary stress if you plan ahead and apply for the drawing before the last day of the application period.

### Important dates

If you are planning to apply for a 2022 big game permit, please be aware of the following dates and deadlines.

#### January 27: Apply online

Starting Jan. 27, 2022, you can visit [wildlife.utah.gov](http://wildlife.utah.gov) to apply for the following items:

- Big game hunting permits
- Bonus points
- Preference points

You can also call any Division office to apply.

If you're applying for a resident permit, you must be a resident on the date the permit is purchased. May 31, 2022 is considered the purchase date of the permit and the date by which you must establish residency in the state of Utah. Please see the resident definition on page 75 to learn whether you qualify as a resident.

American Express, Discover, MasterCard and VISA credit or debit cards may be used as payment, and they must be valid through June 2022. You can also use a pre-paid credit card.

Please keep in mind that the Division is not responsible for any bank charges incurred for the use of credit or debit cards. To change the credit or debit card associated with your application, call 1-800-221-0659.

When you submit your application, you'll be charged an application fee for each species or point you applied for. The application fee is \$10 for residents and \$15 for nonresidents. If you haven't bought your license yet, you'll also be charged a license fee. You will not be charged a permit fee unless you draw a permit.

#### March 3: Deadline for permit applications

You must apply online or by phone no later than March 3, 2022. There's an 11 p.m. MST deadline for online applications and a 5 p.m. MST deadline for phone applications. To apply, visit [wildlife.utah.gov](http://wildlife.utah.gov) or call any Division office.

#### Correcting and resubmitting your application

Did you make a mistake in your application? Simply withdraw your original online application and submit a new, correct application before 11 p.m. MST on March 3, 2022.

You must have your confirmation number, your customer ID and your date of birth in order to withdraw your application. For each new application you submit, you will be charged a nonrefundable application fee. The application fee is \$10 for residents and \$15 for nonresidents.

If you need help with your online application, please call any Division office before 5 p.m. MST on March 3. A Division employee will be available to assist you.

#### March 17: Deadline for bonus/preference points

If you plan to apply for bonus or preference points only, the deadline is March 17, 2022 at 11 p.m. MDT.

To apply for a bonus point, select the appropriate bonus point code on your application.

**Reminder:** You can now submit a group application for bonus points.

To apply for a preference point, select code GDR on your application.

There is an application fee for each bonus/preference point you apply for. The application fee is \$10 for residents and \$15 for nonresidents.

For more information about bonus points, see page 20, and for more information about preference points, see page 21.

Visit [wildlife.utah.gov](http://wildlife.utah.gov) to submit your application, and please remember that you must have a valid Utah hunting or combination license in order to apply for a point.

#### March 17: Deadline for withdrawing your application

If you decide not to hunt, you can withdraw your online permit application at no additional cost until 11 p.m. MDT on March 17, 2022.

The application fee is not refundable.

#### May 31: Drawing results available

You'll be emailed your drawing results on or before May 31, 2022. You can also learn your drawing results by visiting [wildlife.utah.gov](http://wildlife.utah.gov) or by calling 1-800-221-0659. For more information about obtaining your results, see page 28.

To protect applicants' privacy—and to comply with the law—you'll receive access to only your own drawing results.

If you draw a permit, you'll receive your permit in the mail in July.

If your permit requires you to complete an online orientation course, you must first complete the course in order to receive your permit.

Please be aware that if you receive your permit, and then the credit card you used for payment is refused, your permit is not valid.

#### July sales dates for over-the-counter permits

Any limited-entry permits remaining after the big game drawing—and all general-season elk permits—will be available on the following dates in July:

- July 12: General-season archery elk permits (adults and youth)

Youth will not lose any preference points they've accrued if they purchase one of the additional youth archery deer permits available on July 19.

## AFTER YOU APPLY

Utah Admin. Rule R657-62-18

After the application period ends, the hunt drawing occurs. We appreciate your patience throughout the drawing process and in awaiting your results.

### Updating your personal information

A lot of things can change while you're waiting to find out if you drew a permit. If you need to update your name (because of marriage or divorce), your address or the credit card number associated with your application, please call 1-800-221-0659 or visit [utah-hunt.com](http://utah-hunt.com).

### Obtaining your drawing results

You will receive an email that contains your drawing results on or before May 31, 2022. You can also learn your drawing results by visiting [wildlife.utah.gov](http://wildlife.utah.gov) or by calling 1-800-221-0659.

To protect applicants' privacy—and to comply with governmental records access laws—you'll receive access to only your own drawing results.

### Obtaining permits

If you draw a permit in the big game drawing, you'll receive your permit in the mail in July.

If your permit requires you to complete an online orientation course, you must first complete the course in order to receive your permit.

**Reminder:** If you obtain a general-season buck deer permit over the counter (after the big game drawing), you will lose any preference points you've previously accrued for buck deer.

Please be aware that if you receive your permit, and then the credit card you used for payment is refused, your permit is not valid. To update the credit card number associated with your application, please call 1-800-221-0659.

### Surrendering permits

Utah Code § 23-19-38 and Utah Admin. Rule R657-42-4

What happens if you obtain a permit and then realize you won't be able to use it?

If your season hasn't started, you should consider surrendering the permit. If you surrender early enough, you'll be able to keep your bonus points or preference points and avoid a waiting period.

**Reminder:** If you want to surrender your big game permit, you are strongly encouraged to do so **at least 30 days before the season opens**. The surrender process has changed and could result in the loss of previously accrued bonus or preference points. Learn more below or visit [wildlife.utah.gov/refund](http://wildlife.utah.gov/refund).

### Individuals

#### How permit surrender affects bonus and preference points

If you surrender a big game permit at least 30 days before the start of the season, you'll get all of your previously accrued bonus or preference points for that species/permit back, but you will not earn a point for the current year. **Important: If you surrender a big game permit less than 30 days before the season opens, you will lose all of your previously accrued bonus or preference points for that species/permit and you will not earn a point for the current year.**

As long as you surrender a big game permit before the season opens, any applicable waiting period(s) will be waived.

### Groups

#### How permit surrender affects bonus and preference points

If you obtain a permit through a group application—and then you decide to surrender it—you will not have your bonus or preference points reinstated unless your **entire** group meets the following conditions:

- All group members must surrender their permits.
- Permit surrenders must occur at least 30 days before the start of the season.

**Note:** Even if you meet the above conditions, you will not earn a point for the current year.

**Important:** If some of your group members surrender their permits **less than 30 days** from the season opener, **all** group members will lose **all** of their bonus or preference points.

Members of the group may not surrender their permits individually unless the surrender occurs because of:

- Activation in the military
- An injury/illness that will prevent the individual from hunting
- Death

#### How permit surrender affects waiting periods

If members of a group surrender their permits before the season begins, the waiting period will be waived. General-season permits are not subject to waiting periods.

### Dedicated Hunters

If you're enrolled in the Dedicated Hunter program, and you decide to surrender your permit, you must return it to the Division before Aug. 20, 2022 (the day the general-season archery deer hunt opens).

### Plan on sharing the mountain

As much as you'd like to have Utah's backcountry to yourself, you share it with campers, hikers, photographers and other hunters. Some of those hunters are after big game—just like you—while others are pursuing black bear, forest grouse and other species.

Everyone shares the landscape, so please be patient and considerate when encountering others on public land.

### Private landowner and CWMU permit holders

If you obtain a limited-entry landowner permit or a private CWMU permit, you can surrender it.

Limited-entry private landowner permits must be surrendered before the season the permit was issued for opens.

To surrender a private CWMU permit, there are two options. If possible, you should surrender your CWMU permit before the CWMU season opening dates listed on page 12.

To surrender your permit after the CWMU season has started, but before you hunt, you and the CWMU operator must both sign an affidavit stating that you did not hunt with the permit. Both of the signatures must be notarized.

After the signatures are notarized, submit the affidavit and the unused permit to the Division.

### Permit refunds and exchanges

Utah Code § 23-19-38 & Utah Admin. Rule R657-42

The Division rarely issues refunds for permits, licenses or certificates of registration, but there are some exceptions. To see if you're eligible for a refund, visit [wildlife.utah.gov/refund](http://wildlife.utah.gov/refund).

**Reminder:** If you are eligible for a refund, you must submit all required forms and accompanying paperwork within 90 days of the season ending in order to qualify for a full refund.

## Permit exchanges

You may exchange your general-season deer or elk permit for one that's available in another unit, but it must be for the same species and sex. For example, you cannot exchange a buck deer permit for a bull elk permit. The exchange must occur before the season opening date on the permit you originally obtained.

You must also pay a \$10 handling fee to exchange a permit.

## Lifetime license holders: Obtaining your permit in 2022

*Utah Admin. Rule R657-17*

Lifetime licenses were last sold in Utah in 1994. If you are one of the lucky hunters who has a lifetime license, the Division wants you to obtain your deer permit as quickly and smoothly as possible:

- To select the unit you want to hunt, you'll need to complete the online lifetime license questionnaire. The questionnaire is located in the 2022 big game application. Visit [wildlife.utah.gov](http://wildlife.utah.gov) between Jan. 27 and March 3, 2022 to access the application, complete the questionnaire and select a unit.
- If you do not complete the lifetime license questionnaire by March 3, 2022, you will automatically receive

## Duplicate licenses

*Utah Code § 23-19-10 & Utah Admin. Rule R657-5-5*

If your unexpired license or permit is destroyed, lost or stolen, you can obtain a duplicate from a Division office or a license agent for \$10 or half of the price of the original license or permit, whichever is less.

If you drew a license or permit, but you never received it, the Division may waive the fee that you would normally have to pay to get a duplicate.

Keep in mind that you can also use the Utah Hunting and Fishing app to legally carry hunting or combination licenses on a phone or tablet for all the members of your family. To download the app, visit [wildlife.utah.gov/mobileapp](http://wildlife.utah.gov/mobileapp).

a permit for the unit you selected in 2021.

- If you did not select a general-season unit in the past three years, and you do not complete your lifetime license questionnaire in 2022, you may obtain a remaining permit at a Division office, starting July 19.
- If your address changes, please notify the Division immediately.
- If you are already enrolled in the Dedicated Hunter program, you are not required to complete your lifetime license questionnaire.
- If you are planning to apply for the Dedicated Hunter program in 2022, you must complete your lifetime license questionnaire.

For more information about lifetime licenses, visit [wildlife.utah.gov/lifetime](http://wildlife.utah.gov/lifetime).

## DEDICATED HUNTER PROGRAM

*Utah Admin. Rule R657-38*

Enjoy more hunting opportunities and help Utah wildlife.

Want to spend more time hunting deer in Utah? Consider applying for the Dedicated Hunter Program.

As a participant, you could enjoy up to three consecutive years hunting the same general-season deer unit and help Utah wildlife at the same time.

### Benefits and requirements

As a Dedicated Hunter, you'll complete specific requirements in each of the three years you participate in order to obtain your deer permit. Then, you'll be able to use your permit to hunt during all of the general deer seasons: archery, muzzleloader and any legal weapon (rifle).

In exchange for this opportunity, participants:

- Complete a minimum of 32 volunteer hours on Division-approved service projects during the three-year period.
- May harvest a deer in two of the three years of program participation.
- Complete both an online orientation course and a wildlife conservation ethics course.

For additional details about the program, please visit [wildlife.utah.gov/dh](http://wildlife.utah.gov/dh).

### Joining the program

Participants join the Dedicated Hunter Program by applying in the annual big game drawing. Online applications for the Dedicated Hunter Program will be accepted from Jan. 27–March 3, 2022 (as part of the 2022 big game application process).

Results of the drawing will be available no later than May 31, 2022.

To apply for the program, please visit [wildlife.utah.gov/dh](http://wildlife.utah.gov/dh) and click "How to apply" in the menu at the right of the page. In order to apply, you must take the required orientation course and then submit a Dedicated Hunter application in the big game drawing.

**Note:** Taking the orientation course alone is not an application; the orientation course is intended to help you understand what the Dedicated Hunter Program entails before you apply.

The orientation is easy, but do not wait until the last minute, or you might not have time to complete the course and submit your application before the deadline.

The application fee is \$10 for residents and \$15 for nonresidents. If your application is drawn, you will be charged the appropriate program fee. (Dedicated Hunter Program fees are listed on page 15.)

You may apply as an individual or in groups of up to four hunters.

### Dedicated Hunter preference points

If you apply for the Dedicated Hunter Program in 2022, and you aren't selected to participate, you'll receive a Dedicated Hunter preference point, which will give you a better chance at getting into the program in a future year.

If you don't want to join the program this year—but you'd like a better chance at participating in the future—you can take the orientation course and just apply for a Dedicated Hunter preference point.

## OPPORTUNITIES FOR YOUNG HUNTERS

In 2022, there are many options for youth who want to hunt big game.

### Hunting deer for multiple seasons

Twenty percent of Utah's general-season buck deer permits are allocated to youth in the big game drawing. For the purposes of big game hunting, you are a youth if you will be 17 years of age or younger on July 31.

If you are a youth who enjoys hunting big game species, you may have some extra hunting possibilities this fall. It all depends on what type of general-season deer permit you obtain.

#### Any legal weapon permits

If you are a youth who obtains a general-season any legal weapon deer permit (**for either the early season or the later, traditional season**), you may use archery tackle to archery hunt the unit listed on your permit from Aug. 20–Sept. 16, 2022.

If you haven't harvested a deer by the time the archery season ends, you may hunt the

same unit during the general muzzleloader and general any legal weapon deer seasons—**including the early-season general hunt, if it's offered on your unit**—using the appropriate equipment. (See the table below for details.)

You also have the option of using archery tackle to hunt in the extended archery areas as soon as they are open to hunting. Just be sure to complete the archery ethics course available at [wildlife.utah.gov/extendedarchery](http://wildlife.utah.gov/extendedarchery).

#### Muzzleloader permits

If you obtain a general-season muzzleloader deer permit, you may hunt **only** during the general muzzleloader season, which runs from Sept. 28–Oct. 6, 2022. You must use muzzleloader equipment and hunt the unit listed on your permit. You may not hunt during the general archery season or either of the any legal weapon seasons.

### Which seasons can I hunt?

	Early any legal weapon buck deer permit (Oct. 12–16, 2022)	Any legal weapon buck deer permit (Oct. 22–30, 2022)
Archery season (Aug. 20–Sept. 16, 2022)	May hunt on your unit with archery equipment.	
Muzzleloader season (Sept. 28–Oct. 6, 2022)	May hunt on your unit with muzzleloader equipment.	
Early any legal weapon season (Oct. 12–16, 2022)	May hunt on your unit with any legal weapon.	May hunt with any legal weapon if your unit offers the early season.*
Any legal weapon season (Oct. 22–30, 2022)	May hunt on your unit with any legal weapon.	
Extended archery seasons	May hunt the extended archery areas with archery equipment.^	

\*See the list of early-season units on page 24.

^For information about extended archery hunting and the required ethics course, see page 8.

### Archery permits

If you obtain a general-season archery deer permit, you may hunt **only** during the general archery deer season and the extended archery deer season.

During the general archery season, you may hunt in the unit printed on your permit.

During the extended season, you may hunt in the extended archery areas after completing the archery ethics course available at [wildlife.utah.gov/extendedarchery](http://wildlife.utah.gov/extendedarchery).

You may **not** hunt during the general muzzleloader season or either of the general any legal weapon seasons.

If you don't draw an archery permit in the big game drawing, you may be able to purchase one.

Additional youth archery permits will be available on July 19, 2022. The Utah Wildlife Board has approved additional permits specifically for young archers.

**Reminder:** Youth who purchase these additional youth archery deer permits will not lose any preference points they've accrued for general-season buck deer.

### General-season elk permits

In 2022, there will be an unlimited number of general-season any bull elk permits (any legal weapon, muzzleloader or multi-season) available for youth who will be 17 years of age or younger on July 31, 2022.

**These permits are not for the youth any bull elk hunt that runs from Sept. 17–27, 2022.**

Visit [wildlife.utah.gov/biggame](http://wildlife.utah.gov/biggame) in early June to see purchase times and locations.

### Youth-only groups

If you will be 17 years of age or younger on July 31, 2022, you can also participate in the youth drawing for general-season deer permits or youth any bull elk permits. You can submit an application as an individual hunter or as a member of a youth-only group.

#### Youth deer permits

Up to four young hunters can apply to hunt together in a youth-only group. This allows youth to hunt buck deer in the same unit with siblings, friends and cousins.

When you apply in a youth-only group for the general-season deer hunt, all hunters must meet the age requirement or the application will not be processed with the other youth applications.

If you're successful in drawing permits, please remember that all hunters under the age of 16 must be accompanied in the field by a parent, legal guardian or responsible person 21 years of age or older. For details on this requirement, see page 16.

For more information on applying as part of a youth-only group, please visit [wildlife.utah.gov/huntingpermits](http://wildlife.utah.gov/huntingpermits).

#### Youth any bull elk permits

Youth who want to participate in the youth any bull elk hunt must **apply for permits** in the big game hunt drawing. If you draw a permit, you may harvest either a bull elk or an antlerless elk from Sept. 17–27, 2022. (**Important:** A permit for the youth any bull elk hunt is **not** valid during the general-season any bull elk hunts.)

**Reminder:** Up to **four** youths may apply together for youth any bull elk permits, but all individuals must be 17 years of age or younger on July 31, 2022.

\*During the general season, the Cache unit also includes the Cache, Crawford Mtn unit.

\*\*During the general season, the South Slope Yellowstone unit includes the northern portion of the South Slope, Myton unit.

\*\*\*During the general season, the Nine Mile unit includes the southern portion of the South Slope, Myton unit.

**This map is for general reference only.** Please visit [wildlife.utah.gov/huntplanner](http://wildlife.utah.gov/huntplanner) for detailed boundary descriptions. All hunt units exclude deer CWMUs, Native American Trust Lands, National Parks and other areas closed to hunting.

### Cooperative Wildlife Management Units

Utah Admin. Rule R657-37

Utah's Cooperative Wildlife Management Unit (CWMU) program provides landowners with an economic incentive to keep their private range and forest lands as productive wildlife habitat.

The landowners receive vouchers for hunting permits, which they can sell for profit, as long as they also allow a percentage of public hunters on their lands.

If you're a Utah resident, there are two ways to obtain a CWMU permit: you can apply for one in the state's big game drawing, or you can obtain a permit voucher from the landowner or operator of the CWMU you want to hunt.

If you're not a resident of Utah, you cannot apply for a CWMU permit in the public drawing. You can, however, obtain a permit voucher directly from the CWMU landowner or operator.

Keep in mind that whether you draw or purchase a permit, you may not obtain more

than one of each of the following permits during the 2022 big game season:

- Buck deer permit
- Bull elk permit
- Buck pronghorn permit

For example, if you draw a general-season buck deer permit—and then decide you want to hunt on a CWMU instead—you must surrender your general-season permit before the opening day of the season listed on your permit and before redeeming the private CWMU voucher for a permit.

**Reminder:** If you choose to surrender any big game permit you've drawn (to purchase/obtain a private CWMU voucher, for example), be sure to do so **at least 30 days before your hunt begins** or you could lose previously accrued preference or bonus points. For details, see page 12.

For more information on Utah's CWMU program, including details about individual properties, please visit [wildlife.utah.gov/cwmu](http://wildlife.utah.gov/cwmu).
